Subject: Thank you!!!

Victoria,

My mother recently purchased a copy of your book, cd rom and training video for me . I just wanted to take a moment to thank you for the book, Just Point and Sign. It is a wonderful fountain, overflowing with a wealth of information. It is very thoroughly written answering all my questions in a way that is easy to understand. I am so excited to get started now. I will be using the information gathered in this book , along with guidance from my mother, to build a successful business. Thank you so much for helping people like me who have the same dream as you – who can only hope one day to be as talented, knowledgeable and successful as you (& my mom) are.

My sincere appreciation,

Jennifer Phelps
